2007 Award Winners

Nine teams qualified for this year's Championship Competition on December 15, 2007 at the University of Colorado at Denver. These teams will have the opportunity to compete against the qualifying teams from the Boulder, Poudre, Monarch and Thompson/Berthoud regional events.

As a reminder, scoring is made up of four components:

- * 25% Robot Performance
- * 25% Robot Design
- * 25% Research Project
- * 25% Teamwork
