Elbert County Development Council, Inc.
P.O. Box 432
Kiowa, CO 80117

Details of the Complaint

The Elbert County Development Council, an entity serving in a government capacity and a recipient of public money, illegally influenced the 2007 election for the 1B referred tax measure in Elbert County, causing it to pass.

See Sections I through IV below for details.

Affirmation

I declare under penalty of perjury under the laws of the State of Colorado that the foregoing is true and correct.

Executed on November 8, 2007, at Elizabeth, Colorado.

I. Relevant Laws

(1) Colorado Statutes/Colorado Revised Statutes /TITLE 1 ELECTIONS/ELECTION CAMPAIGN REGULATIONS/ARTICLE 45 FAIR CAMPAIGN PRACTICES ACT

1-45-117. State and political subdivisions - limitations on contributions.

(1) (a) (I) No agency, department, board, division, bureau, commission, or council of the state or any political subdivision thereof shall make any contribution in campaigns involving the nomination, retention, or election of any person to any public office, nor shall any such entity expend any public moneys from any source, or make any contributions, to urge electors to vote in favor of or against any:

(C) Referred measure, as defined in section 1-1-104 (34.5);

Annotator's note. Since § 1-45-117 is similar to § 1-45-116 as it existed prior to the 1997 repeal and reenactment of this article, relevant cases construing that provision have been included in the annotations to this section.

The purpose of this section is to prohibit the state government and its officials from spending public funds to influence the outcome of campaigns for political office or ballot issues. Colo. Common Cause v. Coffman, 85 P.3d 551 (Colo. App. 2003), aff'd, 102 P.3d 999 (Colo. 2004).

This section must be strictly construed. It is an established principle that statutes regarding the use of public funds to influence the outcome of elections are strictly construed. Coffman v. Colo. Common Cause, 102 P.3d 999 (Colo. 2004).

Moneys in fund administered by the Colorado compensation insurance authority that consisted primarily of premiums paid into the fund by employers constituted "public moneys" for purposes of this section. Denver Area Labor Fed'n v. Buckley, 924 P.2d 524 (Colo. 1996).

While the term "public moneys" is not defined, the all-inclusive language "from any source" indicates that the general assembly intended an expansive definition of the phrase. Thus, the term "public moneys" may not be construed to refer only to sums realized from the imposition of taxes. Denver Area Labor Fed'n v. Buckley, 924 P.2d 524 (Colo. 1996).

(2) Colorado Constitution/CONSTITUTION OF THE STATE OF COLORADO /ARTICLE XXVIII CAMPAIGN AND POLITICAL FINANCE

Section 9. Duties of the secretary of state - enforcement.

(2) (a) Any person who believes that a violation of section 3, section 4, section 5, section 6, section 7, or section 9 (1) (e), of this article, or of sections 1-45-108, 1-45-114, 1-45-115, or **1-45-117 C.R.S.**[see below], or any successor sections, has occurred may file a written complaint with the secretary of state no later than one hundred eighty days after the date of the alleged violation. The secretary of state shall refer the complaint to an administrative law judge within three days of the filing of the complaint. The administrative law judge shall hold a hearing within fifteen days of the referral of the complaint, and shall render a decision within fifteen days of the hearing. The defendant shall be granted an extension of up to thirty days upon defendant's motion, or longer upon a showing of good cause. **If the administrative law judge determines that such violation has occurred, such decision shall include any appropriate order, sanction, or relief authorized by this article.**

II. Evidence that the ECDC is a government council contemplated by C.R.S. 1-45-117.

ECONOMIC DEVELOPMENT COUNCIL – LETTER OF SUPPORT:

Van Sands, Chair of the Economic Development Council and Charles Groesbeck came before the Board to request that the Board of Commissioners adopt a resolution supporting a bio-agricultural industrial complex on the I-70 corridor. ECDC has held several meetings with North American Bio-Energy Resources regarding the development of this complex. NABR has expressed an interest in developing a bio-energy complex in Elbert County. The total estimated cost of such a project could reach \$250,000,000 and create 200 permanent jobs.

Commissioner Metli made a motion that the Board of County Commissioners of Elbert County, recognizing that the county desires commercial and industrial growth that will promote economic diversity, hereby supports the Elbert County Development Council in its efforts to bring industry to Elbert County that is compatible with the agricultural resources and rural character of the County. The BOCC encourages ECDC to work with North American Bio-Energy Resources in an effort to create a bio-refinery project in Elbert County. Commissioner Paulson seconded the motion. The roll having been called, the Chairman declared the motion unanimously carried and so ordered.

<http://www.elbertcounty-co.gov/upload/documents/BOCC%20MTG%2010-20-04.doc>

ELBERT COUNTY ECONOMIC DEVELOPMENT COUNCIL:

Director Charles Groesbeck came before the Board to report the information from his meeting with the Lincoln County Commissioners, Lincoln County Director of Economic Development, and the McGalpin Group, October 13, 2004. The McGalpin Group’s proposal is in response to Excel’s request to have 500 megawatts of new energy online by December 31, 2006. The proposed wind farm would be located north-northwest of Limon to south-southeast into Lincoln County. This will bring an economic tax base to the 2 counties of some \$300 million, with ¼ to 1/3 of the taxes coming to Elbert County. Ken Wolf said the Fast Track is appropriate for the Wind Farm Project, when an application comes in.

Charles also reported on his meeting with attorney Michael Shay regarding the Bioag Foundation. The two entities are nonprofit: 501C6—which is similar to a Chamber of Commerce; and 501C3—education and research, or lessen the burdens of government (similar to ECDC). Michael Shay will write the resolution and Charles will present it to the BOCC.
