Mission Statement

The new Elbert County Democratic Party is building

toward the future with the fresh ideas, energy, and commitment needed to help build our local economy, make our county a more desirable place in which to live and work.

With Bill Ritter as our Governor and a Democratic majority in Colorado State Legislature, the Elbert County Democrats are poised to work in harmony with the State Party to provide the leadership that Elbert County needs to overcome the current financial and social woes that have resulted from over a decade of single party rule in Kiowa.

Elbert County Democrats are determined to establish a positive presence in the local government and the county's social fabric. The Democrats are committed to providing new solutions to helping Elbert County grow and simultaneously preserving our rural tradition. The Elbert County Democrats resolve to offer county residents a richer alternative to the local Republican Party by means of effectiveness and transparency.

With a new day dawning in Colorado, we invite you to join the new Elbert County Democratic Party and to share your ideas for how to move our county forward.
