

Jerry Koch, Water Task Force leader, is professing to provide, "Practical, objective educational water related information to the authorities, volunteers and citizens of Elbert County"

Maybe... but this sure looks like someone predisposed to the joys of fracking and not conservation of Elbert County's water.

We wonder if the Town of Elizabeth knows about being just downstream from possible Koch fracking / oil drilling

**From the:
DISTRICT COURT, WATER DIVISION 1, COLORADO
MAY 2012 WATER RESUME PUBLICATION**
